***Continuation Sheet for Advisory Action***

*Continuation of Box 11.* The request for reconsideration has been fully considered, but it does NOT place the application in condition for allowance because the information therein was not provided in a timely manner. Applicant has submitted several references further explaining a declaration submitted on 1/7/09 in response to the Office action mailed 8/8/08, but applicant has provided no reason why these references were not included with the declaration itself. Applicant's attempt to supplement a declaration with new evidence submitted after final rejection is improper.
